**Homestay:** San Francisco Christian School requires all students to live with an English-speaking adult who is at least 21 years of age. San Francisco Christian School will secure homestay arrangements for the entire school year, if needed. Please contact the Admissions Office for the typical price range our host families charge. The charge for homestay is due by June 20, 2025 and is distributed to the host family on a monthly basis by the SFCS Finance Office. All homestay arrangements, including non-parental relatives, must be approved through SFCS prior to enrollment.

**Medical Insurance:** San Francisco Christian School requires all students to have medical insurance while in attendance. If a student has already purchased medical insurance through a school placement agency or U.S. relative, proof of coverage must be presented to SFCS before the first day, after which he or she will be automatically signed up for insurance and billed accordingly. Medical insurance purchased through the school will be effective until the end of the school year. A student remaining with a host family over summer break must notify the Admissions Office and will be charged for extended medical insurance coverage.
